

COLLECTIVE INVESTMENT SCHEMES DISCLOSURES

Sanlam Collective Investments (RF) (Pty) Ltd "SCI", a registered and approved Manager in Collective Investment Schemes in Securities. Collective investment schemes are generally medium- to long-term investments. Past performance is not necessarily a guide to future performance, and that the value of investments / units / unit trusts may go down as well as up. A schedule of fees and charges and maximum commissions is available from the Manager on request. Collective investments are traded at ruling prices and can engage in borrowing and scrip lending. The Manager does not provide any guarantee either with respect to the capital or the return of a portfolio. SCI retains full legal responsibility for the third-party portfolio. The Manager has the right to close the portfolio to new investors in order to manage it more efficiently in accordance with its mandate. An annualised return is the weighted average compound growth rate over the period measured. Performance is based on NAV to NAV calculations with income reinvestments done on the ex-div date. Performance is calculated for the portfolio and the individual investor performance may differ as a result of initial fees, actual investment date, date of reinvestment and dividend withholding tax. If the fund holds assets in foreign countries it could be exposed to the following risks regarding potential constraints on liquidity and the repatriation of funds: macro-economic, political, foreign exchange, tax, settlement and potential limitations on the availability of market information.
